[Grasse FDR Comments Arconic Responses \(2-15-19\).pdf](#)

Young,

Attached please find our responses to Agency comments on the draft Final Design Report. As previously discussed we need EPA approval of the Final Design Report in February to maintain our schedule of beginning in-river construction work on April 1.

Please contact me if you require any additional information regarding this submittal.

Thanks,

Subject: EXT: Grasse River site: Initial Agencies Comments to the Draft Final Design Report

Dear Larry,

Please find attached the Agencies comment letter to the Draft Final Design Report for the Grasse River site.

As stated in the cover letter, EPA is in receipt of some comments which are still in review and require further discussion internally and with our colleagues at DEC and SRMT. Therefore you may receive additional comments from us.

Let me know if you have any questions regarding this comment letter.

Thanks.

Young

p.s. I will send a signed cover on EPA letterhead tomorrow. Today, I am working from an alternate work location.
